House News

Another successful term for the Four Houses here at Queens' School. We have seen the return of House Music for the first time in 3 years - congratulations Seacole House for an excellent performance and claiming that 1st place spot! The Houses have banded together to raise money for the Turkey and Syria earthquake appeal, as well as individual charity fundraisers continuing for each House. The Year 12 cohort have been introduced to the new Prefect and Captain system for September 2023, with a flurry of applications already submitted. We look forward to seeing who our new Captains and Prefects will be leading the House next academic year. House Sport continues to thrive, and plans are being made for the final term where we will say farewell to our Year 11s and Year 13s, raise even more money for our chosen House charities, and the Year 7s will be exploring Yorkshire in their end of year residential trip!

House Sport

The leaderboard for the Robert Brown trophy 2022-2023 currently shows:

| Attenborough | Franklin | Seacole | Turing |
|--------------|----------|---------|--------|
| 173 | 160 | 150 | 146 |

Congratulations Attenborough on your lead in House Sport by the end of the second term. With upcoming House Sport events including rounders and rugby, we are sure to continue seeing some excellent game play from our students.

Who will be victorious by the end of the year?

House Competitions

A massive thank you to the Music Department for their hard work in getting House Music back up and running for the first time since 2019, and to our House Captains and Prefects for their work in getting students together, leading rehearsals and ultimately making the night what it was. It was great to see so many students participating, and we hope that this will be just the beginning of a Queens' tradition returning to the school!

STAR Points

Congratulations to all of our students who have achieved so many things this term, including the amount of STAR points you have all earned. Each House has over 40,000 STAR points this year, with an incredible total of over 170,000 STAR points as a school! Congratulations to ring House for taking the lead in STAR points again this term. Will their reign continue when we return after Easter?

House Charity

Across all four Houses, we have raised almost £1,000 for charity this term, including over £350 for the Turkey and Syria earthquake appeal through our Krispy Kreme donut sale! We'd like to thank our Charity Captains, prefects and Charity ambassadors for their help and support in organising and leading fundraisers this term - we can't wait to see how much more we can raise next term!

On behalf of all the House Leads, we want to wish our students an enjoyable and safe Easter holiday break. To our Year 11 and Year 13 students, we wish you the best of luck in your exams next term!

Ms Thomas, Miss Little, Miss Walker-Smith and Miss D'Anna-Brown
