

QUEENS' SCHOOL

Dare to be Great

Careers Education, Information, Advice and Guidance (CEIAG) Policy

1. Introduction

At Queens' we seek to inspire all students to have the highest expectations about the careers they might enter and to prepare them for such careers. Our ultimate goal is to provide students with the qualifications, skills and confidence to achieve lifelong wellbeing in their work.

Our vision:

“Prepare pupils for a changing world building lifelong skills learnt through a dynamic and effective Careers Education which supports them in entering into careers that best meet their skills, abilities and goals”

Queens' School complies with the terms of the Education Act 2022 and endeavours to follow best practice guidance in publications such as the DfE's *“Careers guidance and inspiration in schools”* (April 2017). We have also had an audit conducted by the Careers & Enterprise Company and have formalised links with an Enterprise Advisor, Robert Zajko (Senior Director Talent Acquisition Europe, Middle East and Africa at Hilton) and Evangeline Philips a local entrepreneur.

2. Aims

The Aims of CEIAG provision at Queens' are:

- To thoroughly prepare all students for the next stage in their education or training;
- To promote a culture of high expectations in students and inspire students at Queens' School to think independently and ambitiously about their future career options;

- To expose students to a range of interactions with employers, principally via the Dare to Know initiative;
- To liaise with and secure access for students to all relevant other sources of CEIAG provision including local employers and Services for Young People;
- To manage the resources available for CEIAG in the LRC (Learning Support Centre), School website, pastoral time and in Lifelong Learning lessons to maximise the effectiveness of the provision;
- Make business mentoring available through the Business Academy.

3. Provision

The CEIAG programme is designed to deliver our vision statement to meet the needs of all students at different stages of their learning journey through school. It is differentiated to ensure progression through activities that are appropriate to students' stages of career learning, planning and development. Consideration for SEN learners is taken into account and activities are differentiated to ensure an inclusive approach and equality of access.

All students receive information, advice and guidance at key times in their secondary education in order to make informed decisions about their options. The Year 9-13 Careers Fair provides information about volunteer organisations, University/College transitions and a wide variety of potential employers with possible work experience placements, graduate schemes or apprenticeships

4. Implementation

Leadership & Management

A member of the Senior Leadership Team has lead responsibility for CEIAG. The SLT Careers Lead liaises in particular with the Head of Lifelong Learning and the Careers Co-ordinator in order to effect the delivery of CEIAG in the school. A CEIAG Link Governor is available for consultation. The Head of 6th Form provides support in making UCAS applications and running Year 12 Work Experience.

Staffing

All staff contribute to CEIAG through their roles as teacher and form tutors. Specialist provision is also provided by Services for Young People. The Careers Programme is planned, monitored and evaluated by the SLT Careers Lead in consultation with senior colleagues, Head of Lifelong Learning, Head of 6th form, Head of the Business Academy and the Careers Co-ordinator.

Staff training needs for planning and delivering the CEIAG programme are identified through Personal and Professional reviews and activities planned to meet them. Funding is accessed from the CPD budget held by the

Assistant Head with responsibility for professional learning. The Careers Co-ordinator regularly attends careers meetings/networking events as well as industry specific events in order to ensure they are up to date with all industry and labour market information.

Partnerships

The school has an annual agreement with Services for Young People for the provision of independent guidance, information and curriculum support. The school meets with Services for Young People in advance of each academic year to plan for the effective delivery of support to students and meets regularly through each year to monitor and evaluate the provision.

The school is developing a strong relationship with its Alumni by sending Newsletters and events information. The Annual Year 9-13 Careers Fair engages a large number of alumni in providing information about careers and the pathways to them to students and parents.

The school seeks to actively engage parents/carers in the formulation and development of careers provision with feedback requests on events, the provision of work shadowing placements and experience. The careers updates are passed to parents/carers during information evenings, the school newsletter, emails and other social media. Parents/carers are also engaged via the Dare to Know programme of career talks which relies on them volunteering their time to visit Queens' School and give lunchtime talks. Lastly, the School Enterprise Advisor meets regularly with the Careers Lead and Careers Co-ordinator to plan events in the year and to provide expert advice.

Curriculum

The CEIAG curriculum includes career education lessons, assemblies, group and individual mentoring opportunities, on-line resources, work-related learning and events. There are aspects of the curriculum which are delivered to all students and opportunities which are provided where individual student need has been identified, or where students opt to be included. A skeleton map of the curriculum is provided at Appendix 1.

5. Evaluation and Review

The school's CEIAG provision will be reviewed regularly by the school's SLT. The CEIAG policy will be reviewed on an annual basis, but it will only be revised if it is no longer considered fit for purpose. Specific CEIAG activities (eg Options Evenings, Year 9-13 Careers Fair, 6th Form Careers Speakers) have registers taken and are evaluated after each event. Curriculum delivered in LLL is monitored by the Head of Lifelong Learning; curriculum delivered in pastoral time is monitored by the relevant TLR recipient. The school also has independent external review/audits of its CEIAG provision every year.

An annual Careers Strategy will be developed from the Gatsby Benchmarks Compass Review tool to further develop the comprehensive careers programme that is embedded in the school.
