School Admission Appeals Timetable

If you have not been offered a place at Queens' School, the law entitles you to appeal against that decision to an Independent Appeal Panel. This panel is completely independent of the school and the Local Authority.

In-Year appeals

Appeals resulting from in-year admission applications will be heard within 30 school days of the appeal being lodged.

- Appellants will be sent notification of their appeal hearing at least 10 clear school days in advance of the hearing.
- Appellants will be sent a copy of the school's case 7 working days in advance of the hearing.

Additional supporting information

If an appellant wishes to submit further evidence that was not included with their initial appeal, they should ensure that this is received at least 7 clear working days, excluding the day of postage or the hearing, in advance of their appeal.

Please remember that any confidential medical/social evidence submitted to the school in support of your initial application will not be provided to an appeal panel. If you wish to rely on this in support of your appeal, you will need to submit this documentation to the appeals team.

QUEENS' SCHOOL
Dare to be Great

Only a short document, such as a doctor's letter not previously available, will be accepted up to 4 clear working days before the hearing. Any additional evidence or information received after this deadline will not be circulated and may not be considered at the hearing.
