... more information to follow!

THE YEAR'S ROUND UP...

Wow! What a year it has been for the Mathematics department! We have had some superb results in our UKMT Maths challenges and our Year 7 & 8 Maths teams made it through to the Herts for Learning Finals, with a Year 7 team winning the whole event. 4 Year 7 students attended a Robotics Challenge and came first place for their superb presentation. Our Year 10 and 12 girls attended 2 amazing events at VISA Head offices in Paddington in London this year, gaining invaluable experiences into STEM careers. Our GCSE and A-level students sat their exams and we are looking forward to seeing the results in the summer. More recently, Seacole won House Maths and the chess competition was a hit!

On behalf of the Maths department we want to wish you a fantastic summer and look forward to seeing you in September

We are saying GOODBYE to Ms Datoos at the end of this term. We are sorry to see her go but wish her all the very best for the future.

Mr Van Dam is also returning to Canada – Good Luck!

HOUSE MATHS COMPETITION

On Thursday 29th June 2023, 64 Year 8 and 9 students took part in our annual House Maths competition. It was great to see the students working in teams within their respective houses. Overall, the students worked for 3 hours on various Maths problems!! Well done to all involved and a **HUGE CONGRATULATIONS TO SEACOLE HOUSE WHO WERE THE WINNERS!!!!**

A huge THANK YOU to Miss Rahemani and Miss Gannon for organising the event!

INTER – YEAR CHESS COMPETITION

Over 60 students entered our very own Chess competition during the months of June and July. It was an extremely successful event enjoyed by many with the winner receiving a £30 Amazon voucher and the runner up receiving a £20 Amazon voucher.

Well done to all students that took part!

WINNERS will be announced officially after the Summer break.

A BIG thank you to Mr Jafari for organising this event and running it!
