

## *Dare to be a Linguist*

On Friday 12th May, 91 Year 7 students visited Boulogne-sur-mer, France.

The group left Queens' at 5am and, after a ferry crossing, bonjour France! The visit included a tour of the picturesque old town, Cité Europe shopping centre and a "hands-on" bread and croissant making lesson where students had the chance to really

practise their French. Experienced bakers explained in French the croissant and bread making process, the ingredients and allowed our students to have a go too!

Students enjoyed the old buildings of Boulogne and its very colourful charm! They were also very impressed to see their French come out as well!

It was a fantastic opportunity for our Year 7 students to embrace in such a short amount of time a new culture and the new language they have started this year.
