**Athletics**

The athletics season is well underway with a fantastic turnout to our extra-curricular club, which takes place on Wednesday after school. We have around 80 students attending our club each week, what outstanding effort from our students?!

During our county league meets we have had some fantastic performances from both the Junior and Senior boys and girls teams. A special mention to Will, Alexandra, Samuel, Chase, Sara and Theo for outstanding performances during the last two county meets.

We have several athletes that are competing in the County athletics champs on Saturday 10<sup>th</sup> June; Kristen, Alex, Kamsi, Will, Sam, Ami and Rebecca. Wishing them all the best of luck!

We encourage as many students to continue to attend our athletics club so they can prepare for sports day, one of the biggest highlights in the Queens' calendar!
