

QUEENS' SCHOOL
Dare to be Computer literate!

COMPUTER SCIENCE DEPT NEWS

ROBOTICS CLUB

Several of our Key Stage 4 and 5 students are working with the Maths Dept in the Robotics Club, where you can programme small robots using the Lego Mindstorms kit.

Lunchtime in Room 52, Years 7-9

E-Safety – Key Stage 3

The students in Year 7 have completed a unit on e-safety, studying how to keep a computer safe, how to use chatrooms/social media safely and the impact of cyberbullying. In the process they have made some great posters and leaflets, showing off their ICT skills.

MORE FUN FACTS about Computer Science

5. The First Known Computer Programmer was a woman.

Her name was Ada Lovelace, and she lived in England, where she worked as a mathematician and writer.

6. Some of the Biggest Computer Brands Started in Garages

This is true for Apple, Microsoft, and HP.

7. People Blink Less When They Use Computers

While the average person blinks about 20 times a minute under normal circumstances, people on computers only blink about seven times a minute.

8. Hackers Write About 6,000 New Viruses Each Month

Key Stage 4 REVISION HELP & HOMEWORK CLUB

Starting again after half-term – see your teacher for exact timings. **Revision guides for sale from Mrs Wassall Room 3**
