

Dare to be a Linguist

On Tuesday 5th December, the year 13 Spanish class had the opportunity to watch the spectacular performance of *La Casa de Bernarda Alba* at the National Theatre in London. We all felt that the play was really brought to life and extremely beneficial to our revision to see different interpretations of characters and the use of the set. The actors were phenomenal and the theatre ambience too. We thoroughly enjoyed our trip and it was helpful for our study of this drama by Lorca.
