

QUEENS' SCHOOL
Dare to do Social Sciences

Social Science Faculty

The Social Science faculty had an enriching trip led by Mr Harris to Westfield for a Tutor2u revision day at the beginning of December. Year 13 students eagerly dove into the intricacies of Psychology, Business, and Economics, making the most of the engaging and insightful learning experience.

Here you can see Sophie, Lujain, Ramsha, Yoma and Karina at the end of the session.

Year 13 Sociology will also be visiting the Old Bailey with Miss Butterfield to watch a trial as part of their study of crime and deviance. They will also be meeting with Judge Khan after the trial to gain further insight into the legal system.
