MUSIC LESSONS - TRIAL SUCCESS

Earlier this term Mr Penhaligon hosted an information evening on one-to-one tuition available at Queens' School provided by Hertfordshire Music Service. As part of this information evening, trial lessons were offered and we saw a large uptake on a range of instruments. We are really pleased to see that a range of students have now signed up to continue those lessons.

NEW AND IMPROVED

We are continuing to improve our department. A new shipment of 2 bass guitars and a beautiful 25 Watt Fender Bass amplifier has arrived. We have also order two pairs of new studio monitors for our classrooms for the best audio possible for our students.

EXTRA-CURRICULAR

We are still roaring ahead with our extra-curricular provision with more and more students attending on a weekly basis. We are very proud of our orchestra and choirs for their continued attendance and enthusiasm. We are also running a large amount of Year 11 intervention activities throughout the week. Alongside this, we will be adding a few clubs AFTER SCHOOL after the half-term break so please look out for more information available on these on Classcharts and X.

THANK YOU

We sent out a questionnaire asking for some feedback on the department and we received a lot of different thoughts and opinions! We will be taking all of this into consideration moving forward so thank you to everyone who filled out the Google Form. We really appreciate it!
