

# SUMMER 1 2024

# MUSIC DEPARTMENT

#DARETOBEMUSICAL

## EVENTS

This half-term we have been quite quiet as a department due to a range of factors that we aren't quite ready to announce!

That being said, we have not only said farewell to our Year 11 & 13 students, but we have also hosted our Year 9 BATTLE OF THE BANDS unit of work where all of Year 9 have worked in bands to perform a piece of their choice.

The chosen groups will go forward and perform once again at our end of year concert on the 10th of July (mentioned in more detail below).

We have had a really successful year and, as a department, are looking forward to seeing the success of both Year 11 and 13 alongside some big changes to come!

## *MUSIC LESSONS*

We continue to provide high-quality music lessons provided by our friends at Hertfordshire Music Service. There have been some piano trials this term which have seen great successes in new and returning students.

## *NEW AND IMPROVED*

We are continuing to improve our department (as always!). We have ordered some more new guitars, a new set of classroom speakers, a beautiful new mixing desk (to record high quality GCSE and A-level performances) and continue to plan for the new academic year.

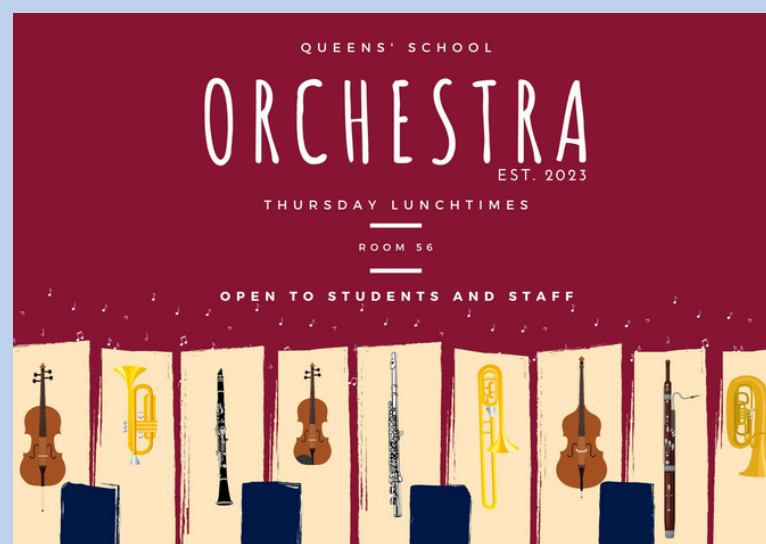

## *EXTRA-CURRICULAR*

We are still roaring ahead with our extra-curricular provision with more and more students attending on a weekly basis. We have now said good bye to Year 13 which made up a large portion of our orchestra - if you are keen to play, please come along! (Thursday lunch).

## *THANK YOU*

As always, thank you to the parents, the QPA, the estates team, the music team and the students for a spectacular year full of music.
