Dare to be Mathematical

MATHEMATICS DEPARTMENT

NEWS

A busy but yet exciting time for our Maths students with both Year 11 and 13 starting their GCSE and A-level exams respectively. We wish them all the very best of luck in their exams and also for the future!

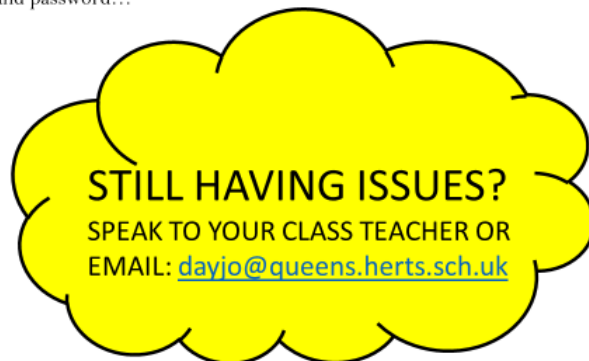

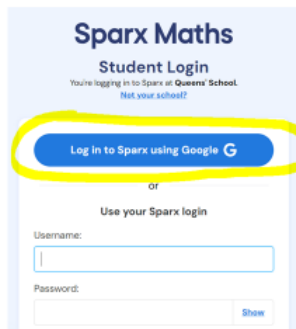

Our Year 7 and 8 students took part in the UKMT Maths challenge achieving some very impressive results (details below). In addition to this, we had 3 Year 8 teams enter the Herts for Learning County Maths Team Challenge with one team achieving a county record breaking score. We are really proud of all of our students and enjoy celebrating in their successes!

The next half-term is jam packed with House Maths and assessments for our remaining year groups. We hope you have a good half-term and look forward to seeing you for the final half term!

Thank you, Queens' Maths Department

Year 8 COUNTY MATHS CHALLENGE

On Monday 29th April 2024 3 Year 8 teams represented Queens' School at the Hertfordshire County Maths Challenge HEAT 1. They competed against 15 other teams across Hertfordshire schools. It was hard but fun. They performed superbly well and ALL our teams scored over 100 points.

Two of our teams excelled and came 1st & 2nd place.

Year 8 **Team Makunde** took 1st place: Sé, Toby, Alfie & Sami.

They scored 208 points. (AMAZING score!!)

They also broke the county Maths Challenge record (56/60!!) in the estimation round.

Well done Team Makunde. 🙌🙌

Year 8 Team '**The Nameless**' took 2nd place: - Ruhe-Zahra, Yaprit, Nandhini & Anais

Our other year team did extremely well in the Maths Challenge. I would like to say a huge well done and thank you to Asher, Dylan, Nikash, Bozhidar & Dhruv.

We are now waiting to hear from the County Maths team if team 'Makunde' and Team 'The Nameless' have qualified for the FINAL round. We will let you know.

Many thanks to ALL the students who gave up their free time after school to represent Queens' School. We are very proud of you.

Dare to be Great

Daring to be *Great* by pursuing our values of Scholarship, Tenacity, Altruism and Respect

On Thursday 25th April the UKMT Junior Maths Challenge took place. This is a national competition for students in Year 7 & 8 and is very well regarded amongst educational settings.

This is a fantastic opportunity for the students who enjoy a challenge and our Year 7 and 8 students performed exceptionally well. We had 111 Year 7 and 120 Year 8 students take part. Students can achieve Bronze, Silver or Gold depending upon how well they score, moving onto further rounds if they reach the threshold.

YEAR 7

Gold - 1 student who goes through to the Kangaroo round

Silver - 18 students

Bronze - 37 students

YEAR 8

Gold - 19 students, 9 that go on to the Kangaroo round and 1 who goes on to the Junior Olympiad

Silver - 41 students

Bronze - 32 students

A SPECIAL MENTION has to go to Noah in Year 8 who has successfully gained entry into the Junior Olympiad competition. It should be noted that less than 1% of those that sit the Junior Maths Challenge are invited to sit the Junior Olympiad. A HUGE CONGRATUALIONS NOAH – We are very proud of you! Another well done to those students gaining entry into the Kangaroo round – a fantastic achievement.

Please see below for a comprehensive list of all students gaining Bronze, Silver and Gold.

As always, we are really proud of all of our students' achievements and will keep you updated with the outcomes of the Kangaroo round and the Junior Olympiad.
