Dear Chris,

Commitment to the Quality in Careers Standard

I am pleased to confirm that the Governors and staff of Queens' School are committed to gaining The Quality in Careers Standard by Summer 2024. We have incorporated this goal in our current development plan.

Our aim is to provide an outstanding programme of careers education, information, advice and guidance activities that satisfy national requirements and provide guidance which enables us to address the career development needs of all our students.

We would like to nominate Denise Manning as your first point of contact for matters relating to our progress through the Quality in Careers Standard with Investor in Careers. She will be working with Olivia de Groot who is the senior leader with careers responsibility.

We look forward to working with you.

Yours sincerely
