... more information to follow!

THE YEAR'S ROUND UP...

Wow! What a year it has been for the Mathematics department! We have had some superb results in our UKMT Maths challenges and our Year 8 Maths teams made it through to the Herts for Learning Finals, with the team coming 4th... An outstanding achievement! Our GCSE and A-level students sat their exams and we are looking forward to seeing the results in the summer. More recently, Franklin won House Maths which took place in July (see below for details).

On behalf of the Maths department we want to wish you a fantastic summer and look forward to seeing you in September

We are saying GOODBYE to Ms de Groot and Miss Gannon at the end of this term. We are sorry to see them go but wish them all the very best for the future.

We have some new staff joining us from September 2024 which we are really looking forward to!

HOUSE MATHS COMPETITION

On Thursday 4th June 2024, 64 Year 8 and 9 students took part in our annual House Maths competition. They spent three hours working through various challenging problems with great tenacity and enthusiasm. It was wonderful atmosphere and a lovely team spirit amongst the students. Huge congratulations to the individual Seacole team winners and to Franklin house who were the overall winners!

A huge THANK YOU to Miss Rahemani and Miss Gannon for organising and running the event and to the Year 12 Mathematicians for helping out on the day!

Year 8 COUNTY MATHS CHALLENGE FINAL

As you know the Year 8 'Team Makunde' qualified for Year 8 Maths County Challenge FINALS, after a super performance in Heat 1, having also broken county Maths Challenge record (56/60!!) in the estimation round.

The finals took place on Wednesday 19th of June at the Hertfordshire Development Centre in Stevenage.

There they met and competed against 20 other finalist teams from Hertfordshire schools.

It was very competitive!!

It was tense!!

The questions were really HARD!

This did not phase our Queens' School Maths Champions.

After a fierce battle and brilliant team effort, 'Team Makunde' secured 4th place in the county maths challenge final.

All in all Queens' School's 'Team Makunde' came 4th out of 90 Hertfordshire schools!!

What an amazing Achievement!

Well done Alfie, Sé ,Toby & Sami.

Thank you for representing Queens' School.

We are really proud of you!

Team Makunde

Well Done!
