

QUEENS' SCHOOL
Dare to be Dramatic

We have had a fun filled half-term in Drama.

Year 9 have been busy planning, filming and editing their mini movies for their final Key Stage 3 project in Drama. We were really impressed with all the films and 4 finalists were chosen to have snacks and drinks while watching a film as their prize.

We loved meeting some of the Year 6 students on transition day. 4 different form groups took part in a Drama workshop, and we are excited to see them as Year 7's in September.

Our first ever ArtsFest took place at the end of term, bringing the Creative Arts together with an art competition, run by Miss Carter, and Drama and Music performances. We also had fete style games and a BBQ. A huge thanks goes to the Year 12 team of students who helped set up and run the event with us. It was a lovely evening, and thank you if you attended.

Finally, Year 12 Drama A-level students went to watch Mnemonic at the National Theatre. This Complicit production has really inspired them, ready for devising next year!

We wish everyone a very happy Summer holiday!
The Drama Dept.
