

QUEENS' SCHOOL
Dare to be Computer literate!

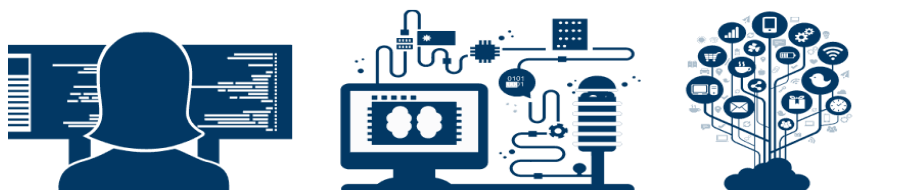

Computer Science Dept. News

This term sees little changes for the students, but in the Department we are looking forward to significant changes. Over the Summer we will be moving to the North side. This will have the benefits of bringing the Computer Science classrooms together, it will also be placing us much nearer to our faculty colleagues in Maths. Come the new academic year we will have three classrooms fitted out with the latest Computing desks and equipment.

We will be saying 'farewell' to two members of staff. Mrs Curtis is sadly leaving the teaching profession after being with us for six years. Mr Makunde, who has been with Queens' for 21 years, recently moved further North, such that he now has a very long journey to work. He will be moving to a school much closer to his home. Both will be sadly missed.

We are very fortunate to have two, full time subject specialists - Mr Lo and Miss Yang - joining us in September.

QUEENS' SCHOOL
Dare to be Great

Daring to be Great by pursuing our values of Scholarship, Tenacity, Altruism and Respect
