

# Queens' School Year 6 Open Evening

This evening was so positive and I for one felt really proud of our school and our students. Parents were so impressed and especially with how confident our students are. Teachers were engrossed in chats and discussions with parents and their children. It was a real pleasure to see all of the hard work and effort that that was put into preparing for this evening. Parents were commenting on the community spirit amongst the staff and students. That we really do live by our STAR values. They experienced it for themselves this evening. They also commented on how they really haven't got the same feeling elsewhere. They felt that the values Jonathan spoke about were apparent across the entire school, from discussions with students and staff. Yet again there was a real buzz about the school and it really did look incredible please see the pictures below of the event.

S. Vaughan SLT Head of Year 7

Daring to be Great by pursuing our values of Scholarship, Tenacity, Altruism and Respect
