**Queens' Den competition.**

We are excited to announce the launch of our “Queens’ Den” competition!

Teams are invited to pitch to the “Queens’ Dragons” their business idea that they would set up with a £50 investment. If chosen by the Dragons each team will be given £50 to start a small business and the team that makes the most profit will win a fantastic prize. They will also be given the chance to sell their goods or services at a “Queens’ Den Marketplace” held at school in March.

All money made at the end of the competition will be invested into Queens’ School for the benefit of the pupils.
