Welcome to the Twelfth edition of the Queens' Alumni newsletter, where you can learn how our past students have got involved with helping our current students. Please contact Careers@queens.herts.sch.uk if you would like to get involved with events at Queens' next term.

We have had a very busy term with Alumni coming in to celebrate National Apprenticeship Week in February and National Careers Week linked to International Women's Day in March. They went into all Year 9 and Year 8 forms with sixth form prefects as the guides to navigate around the new school layout.

Thank you

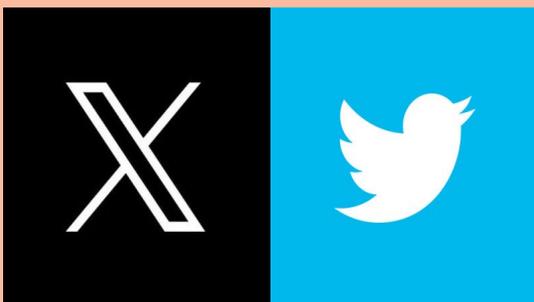

Before the end of term in December we hosted our second Alumni Careers Fair with great success. The Year 12 and Year 10 students were happy to have a great selection of companies and universities. They got to ask questions as Alumni moved around the rooms. This included first hand knowledge with degree apprenticeships from Amazon. Architecture, Finance, NHS paramedic science were a few of the industry insights. Lunch and a tour of the school was enjoyed by our Alumni. A massive **Thank you** from Queens' Careers.
