**News from The Art Department March 2025**

Selected Year 9 pupils attended an Art trip to the National Portrait Gallery for a visit to the 'Taylor Wessing Photo Portrait Prize' exhibition and Zoë Law's series 'Legends'. This included over one hundred photographic portraits of individuals from the worlds of art, fashion, business and entertainment. Students formed opinions on the photography techniques used and were able to vote on their favourite portrait. Students then took part in a portraiture photography workshop and were given access to high quality photography equipment, such as digital cameras, backdrops, lighting and reflectors. Each student had the opportunity to pose and take photos, directing their models and lighting to produce interesting and exciting photographs. With guidance from gallery volunteers and experts, all students demonstrated scholarship and tenacity by actively participating and learning new techniques. Thank you for a great day out Year 9. Your behaviour was exemplary.
