Gym and Dance Show

The annual Gym and Dance Show dazzled audiences once again with an evening full of energy, emotion, and exceptional talent. The event brought together dancers, cheerleaders, and gymnasts from across year groups, all delivering outstanding performances that captivated the crowd.

This year's show held special meaning as the school community came together to raise funds for Mind, the mental health charity, in memory of Roma Guerra, a former student who performed in every show during her time at Queens'. Thanks to the generosity of attendees, over £500 was raised in Roma's honour.

The atmosphere was further elevated by fantastic lighting provided by Mr Lindsey, whose expert work helped bring each routine to life. A special thanks also goes to the Queens' Parents Association (QPA) for providing refreshments.

Audience members offered overwhelmingly supportive feedback, praising the talent of our students here at Queens'. With such a successful evening behind us, excitement is already building for next year's show, another opportunity to celebrate the incredible students at Queens'.

Daring to be *Great* by pursuing our values of Scholarship, Tenacity, Altruism and Respect

Boys football

The boys football season came to an end on Friday 2 May when the Under 16 boys (Year 11) took part in the County Cup Final against Beaumont School from St Albans at Harpenden Town FC. To get to a County Cup final is a very prestigious accolade, as not many schools and players get to play in a County Final during their time at school.

This was the culmination of 5 years of hard work for the boys and it was their last game together as a team, as some will leave the school to pursue other avenues for their future.

The game itself was a hard fought one with both teams having chances, a penalty saved by Charlie but some good football played by both teams. Unfortunately, even though we had most of the possession, we couldn't break down a very organised defence and eventually lost 2-1, Henry scoring with the last touch of the game.

I would just like to thank the boys for all their hard work over the last 5 years and would like to say how proud I am of the dedication they have shown.

Well done.

Mr Dunn
