Dare to be a Linguist

Year 10 visit to the Emirates Stadium

Edexcel event – Language is more than words- Our budding linguists head to The Emirates Stadium

On Wednesday 2 July, Mrs Hanbury and a group of our brightest linguists went to The Emirates Stadium for an exciting day put on by Pearson Edexcel. We were lucky enough to hear some fantastic speakers from all different industries speaking about how learning languages has enabled them to be successful in their careers. Some of the highlights were singing in Urdu and learning some Bollywood dancing as well as hearing some fantastic stories from one of the Arsenal coaches, who spoke about the connections he has made through language with some of Arsenal’s most famous players. It was a truly inspirational day and our students were fantastic language ambassadors for the school. Merci/gracias a todos!

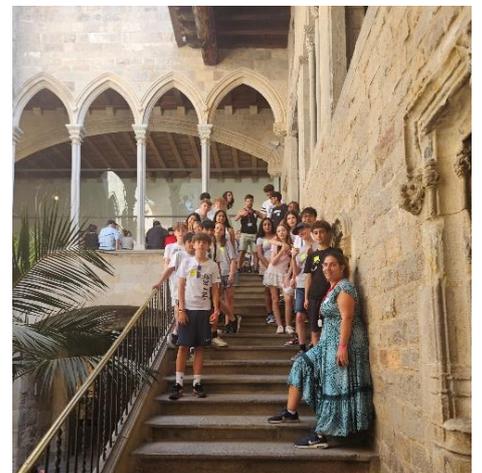

Year 9 visit to Barcelona 29/06/2025 to 01/07/2025

The students from Queens’ School embarked on an unforgettable adventure, having just returned from four action-packed days in the vibrant city of Barcelona! They explored the breath-taking Sagrada Familia and navigated the city on an exciting Adventure Quest, making

a splash at WaterWorld aquapark and immersing themselves in art at the Picasso Museum. Every moment offered discovery and fun as they soaked up the culture in the Universitat

neighbourhood, soared over Montjuic on a cable car, and enjoyed delicious evening meals in local restaurants, creating memories that will surely last a lifetime.

The visit was jam-packed with opportunities to discover Spanish culture and practise Spanish language. Well done to our fantastic Year 9 student for showing great appreciation for Spanish and for the Catalan and Spanish culture!

Year 7 Spelling Bee

All Year 7 students were involved in a very competitive French Spelling Bee challenge. The best two students were nominated from each form and the final eighteen contestants took part in the final on Monday 30 June. Each student had one minute to spell out as many words as possible using the French alphabet. This really pushed our students to show their most scholar and tenacious attitude!

Most people (including teachers!!!) could spell an average of ten words a minute, but our three winners really showed exceptional skills: thirteen, seventeen and eighteen!!!

Well done to Timothy K. (7AL), Karen S. (7AB) and Lorenzo C. (7TC). Excellent!!!
