### *CLUBS TO LOOK OUT FOR IN SEPTEMBER.....*

- *Key Stage 3 homework club*
- *Key Stage 4 GCSE Revision Club*
- *Chess Club*
- *Maths Challenge Club*

*... more information to follow!*

### **THE YEAR'S ROUND UP...**

It has been another outstanding year in the Maths Department, filled with achievement, hard work, and enthusiasm. We are incredibly proud of our students' performance in the UKMT Maths Challenge: 40 students earned prestigious Gold certificates, 132 achieved Silver, and 260 received Bronze.

Congratulations to everyone who took part – a fantastic accomplishment across the board!

Our Year 7 to 9 students also showcased their teamwork and problem-solving skills in various Maths Team Challenges. A special mention goes to our brilliant Year 8 team, who made it all the way to the finals – a remarkable feat!

Meanwhile, our Year 11 and Year 13 students have shown tremendous dedication in the run-up to their GCSE and A-level exams. We are looking forward to celebrating their results in August and wish them all the very best.

As the year comes to a close, we also say a fond farewell to Ms Adams. She has been a valued member of the Maths Department, and we thank her for all her hard work and dedication. We wish her every success and happiness in the future.

***On behalf of the Maths department we want to wish you a fantastic summer and look forward to seeing you in September***

# HOUSE MATHS COMPETITION

On Friday 4 July 2025, 64 Year 8 and 9 students took part in our annual House Maths competition. They spent three hours working through various challenging problems with great tenacity and enthusiasm. It was wonderful atmosphere and a lovely team spirit amongst the students. **Huge congratulations to Franklin house who were the overall winners!**

A big THANK YOU to Miss Patel and Mr Ragbir for organising and running the event and to the Year 12 Mathematicians for helping out on the day!
