Queens' of Herts Cheerleaders

The Queens' of Herts Cheerleaders have soared to victory, winning big at the ICC Southern Jam competition and earning the title of division champions. The girls have shown dedication, teamwork, and resilience through the year. I am so proud of all their hard work and they have shown what true commitment can achieve. A special thank you goes out to Tegan for her outstanding choreography and coaching. Try outs for new team members will take place at the beginning of the new school year.
Well done girls!

Cricket - Year 8

After a disappointing Year 7, where it was only possible to play 1 match, the team were eager to get some matches under their belt this year. The year started against Aldenham, who have a good reputation for cricket. There were a lot of nerves in the first match but Under Issy's guidance as captain and Jack's batting a win was secured.

Versus Rickmansworth

This match was to make amends for the defeat last year, but on the day due to absences there were only 9 players - an uphill battle already. The team set their stall out and batted well with Ashur batting like a man possessed to give us a respectable total of 87-4. With only 9 players the field was spread thin, and it looked to be a bridge too far for Queens', but excellent bowling from Issy, Tom, Ashur and Arjun meant that the match reached the final over with it still in the balance. In the last over Rickmansworth batted trying to overcome our score and needed 4 runs off the last ball to draw. The cricket gods were on their side that day as they managed to get the 4 runs to secure a draw, however considering we only had 9 players this felt like a win and the players were majestic on the day.

Versus Clement Danes

This was to be our final game due to player commitments. Clement Danes are a strong team with a lot of county players, and on an extremely hot day they demonstrated their prowess with the bat, scoring 120+ runs. This was not to be our day, but the resilience shown by the players was excellent and they batted until the last ball.

It has been an enjoyable few matches, but the Rickmansworth match was the highlight for me, considering the team were 2 players down. Well done!

Cricket - Year 7

A challenging but positive start to Queens' cricket for our Year 7s. I was really proud of the number of students who represented the school over our 4 matches, having both boys and girls involved.

As the students improved game by game, we're looking forward to building on this next summer.

Thank you to everyone for their commitment this term!

Rounders

This term we have had a great turn out of students attending rounders club across Years 7-10. Students have shown great enthusiasm in practice and have been able to transfer the skills they have practiced in training into their matches against WGS, Bushey meads and The Grange. The house rounders tournaments were a highlight across the year groups with each house giving it their all.

Athletics

This athletics season has been another successful one with numerous students getting on the podium at District and 3 athletes getting top performers. In the County League the junior and inter girls teams made it through to the county plate final. The girls did an amazing job and managed to finish 6th and 7th respectively. Thanks to all the athletes for the hard work and dedication this athletics season.
